GreenStar Services Corporation is Named the *Number One Specialty Contractor Again*

New York, New York August, 2009 – For the second year running GreenStar Services Corporation was named the Number One Specialty Contractor in New York by McGraw-Hill's *New York Construction* magazine.

Heading a list of 50 specialty contractors surveyed, GreenStar Services Corporation was more than \$31,000,000 ahead of its nearest competitor in total revenue for the calendar year.

GreenStar Services Corporation has completed some of the most important and impressive projects in New York City including the Time Warner Center, 15 Central Park West, Citi Field, the renovation of Yankee Stadium and the new Goldman Sachs World Headquarters. Recently they were selected to perform approximately \$350 million of electrical, HVAC and plumbing work at two World Trade Center sites.

GreenStar is comprised of three operating subsidiaries: Five Star Electric Corp. in Ozone Park, Queens and WDF, Inc. in Mount Vernon, New York, and Nagelbush Mechanical, Inc. of Fort Lauderdale, Florida. Each of these three firms is an industry leader in diversity, size, talent, technology and financial strength. The Company is one of the country's foremost contractors in General Construction, Heavy Mechanical, Plumbing, HVAC and Electrical Construction. The organization specializes in infrastructure, environmental and complex construction assignments.
